Mr. James Johnson, librarian, and Bob Johnson, photographer for the Northwest Missourian, visited high schools in the Stanberry, King City, Mound City, and Rock Port areas, Tuesday, to make slides of graduates of the NWMSC Home Economics department.

A film library of slides showing what home economists do on the job is being compiled for use as reference material for civic groups, PTA's, career days, etc.

The graduates from this school participating in this program are: Miss Betty Williams, Maryville; Miss Ruth Wagner, Stanberry; Miss Yvonne Elliott, Rock Port; Mrs. Patty Derr, Mound City; Mrs. Ramona Colburn, King City.

## Prexies Meet With Dr. Jones

A luncheon meeting of all the presidents of organizations on campus was held with President J. W. Jones in the Lakeview room of the Union building Thursday noon, March 8.

Some of the matters discussed concerned the telephones in Roberta and Perrin Halls and the Student Loan Fund. President Jones discussed the present situation of how much is spent each year and the extensive use of the loan program.

There will be a meeting each month at which the group will discuss campus problems with each other and with President Jones.

## Local Men Attend Conference Held At Jefferson City

Richard T. Smith, Bob Johnson, and Dr. John Harr attended a state-wide conference University People to People Program, March 5, in Jefferson City.

Meeting in the state capitol building, delegates from all major Missouri colleges and universities discussed the problems of assimilating foreign students into the activities of an American university. Key-note speeches were delivered by Bill Dawson and Rick Barnes, student co-ordinators of the program, and Rafer Johnson, national representative and 1960 Olympic decathlon champion.

Representatives from Missouri University and other colleges already using the People to People program explained ways in which they were welcoming foreign students to the United States and exchanging local customs and ideas.

## NOTICE

Press Club will meet at the Northwest Missourian office tomorrow at 4:00 p. m. All members are urged to attend.

The quiet before the storm is illustrated above as the three applicants for student body president confer before the campaigning starts. They are (from L. to R.) Earl Boyd, Phi Sigma Epsilon; Harold Gentry, Sigma Tau Gamma; and Ivan Lyddon, Independent.

## Boyd, Gentry, Lyddon; One To Be President

At 4:00 p.m., March 7, the nominations for student offices were officially closed. The candidates are: Earl Boyd, President; Bob Cobb, Vice-President; Dale Sporleader, Union Board President—Phi Sigma Epsilon.

Others are: Harold Gentry, President; Don Drake, Vice-President—Sigma Tau Gamma, and Ivan Lyddon, President; Jim Meadows, Vice-President; Richard Smith, Union Board President—Independent.

## KLDX Comes to Dorms

KDLX, the student operated campus radio, can now be heard Sunday through Thursday in the girls' dorms. Richard Smith, president of APO, announced the completion of a telephone line connecting the studios in Colbert Hall with a satellite transmitter in Roberta Hall.

Having operated for two years, the station, 560 on the radio dial, is sponsored by the Maryville Collegiate Radio Club and Alpha Phi Omega. Money for a new transmitter was donated through the combined efforts of AWS and GSS.

Sheetz Firestone Store supplies the records, which consist largely of music for listening and studying.

## Dancers Meet at SUI

Sara Beth Kurtz and Mrs. Dorothy Walker represented NWMSC in the first annual Midwestern Dance Symposium held March 2-4 at the University of Iowa, Iowa City.

Miss Kurtz is an instructor of modern dance and Mrs. Walker teaches folk dancing, square and social dancing.

## City Manager Resigns

Robert Pierce, Maryville city manager for the past five years, has accepted the position of city manager at Park Forest, Ill., effective April 2.

Pierce's resignation was accepted in a special council session with formal announcement of the appointment being made here and in Park Forest.

His wife, Doris F. Pierce, social science department, will stay here until after the close of the college term.

When asked for a statement Earl Boyd commented "I pledge all resources at my command towards the establishment of improved student relationships on campus and in the city."

Harold Gentry believed that "since the campus is growing it is necessary to make changes for the betterment of the college, not to degrade it."

While Ivan Lyddon believes that being an independent student, and editor of the NW Missourian, enables him to realize the individual student problems more thoroughly; he feels he will be able to represent the majority's wishes.

Campaigning is to begin 7:00 a.m. March 21 and end 4:00 p.m., March 23. Signs may not exceed 60 sq. feet of display area. Those running for Senate will have one sign per class with all nominees listed in alphabetical order.

The polls will be open from 8 to 4, March 23, in the Classroom Building Lounge.

## Fifth Anthology To Be Published

The American College Poetry Society announces that its fifth semesterly anthology of outstanding poetry is now being compiled for publication in May, 1962.

Students who are interested are to send their poetry to Richard A. Briand, in care of the Society, Box 24083, Los Angeles 24, California.

All work must be original and not over forty-eight lines. No individual should submit more than five poems. Entries must be postmarked no later than Thursday, April 12, 1962.

## Frame Answers Charges

Apparently, Mr. Jamison and Mr. Rickman are blind to the goals of Young Americans For Freedom by the glare of the spotlight. In his letter, he carelessly tossed aside facts and proceeded to attack YAF, an organization he obviously knows little about.

We find consolation in the fact that this deliberate attempt to make YAF look like a radical, extremist group fell flat. Students recognize distortion for what it is—in this case, a weak attempt by a group of worried liberals to muster some sort of attack against the growing wave of patriotic college conservatives who believe that Communism is evil and must be defeated and that our own government, while still the best in existence, has become too centralized and too socialized.

Some of his statements undoubtedly made many students cringe. He said that we should "let the government and military handle it." Does he not remember what President Kennedy said in his inaugural address? "Don't ask what your country can do for you but, rather, what you can do for your country."

We believe that the only way we can retain our freedom is through the education of every citizen to the nature of Communism and the methods by which it infiltrates a free society.

We seek not the security of a welfare-state, but the real security that only individual initiative can give.

Mr. Jamison and his group ask for co-existence and concession. The American tradition, as we see it, tells us that a nation devoted to freedom concedes nothing to a totalitarian government dedicated to world enslavement, that we do not co-exist with governments who butcher freedom-seeking students.

It is unfortunate that small minds automatically classify everything that isn't liberal as being "extreme" and dangerous" and "Young Birchers". The left-wing ADA has Communists in it but this certainly doesn't make it a Young Communist group.

We haven't enough space to fully explain YAF's principles. We do urge anyone who is interested to attend our organizational meeting which will take place very soon.

Thank you very much  
Dennis Frame, (YAF)

## Mat Men Enjoy Banner Year

After compiling an eleven-won-five-lost and one-tie season's record, wrestling coach, Dr. H. D. Peterson, appeared quite satisfied with the year's mat results.

The Bearcat matmen took first place honors in two wrestling tournies, winning the Graceland event and the AAU meet held at NWMSC.

Referring to Dr. Peterson on this year's team, "This team is the strongest squad we've ever assembled. Our group was tremendously well-balanced, finishing the season with twenty-five fine wrestlers."

### 3 'Cats Go NCAA

By copping the AAU tournament, the Bearcats will send three men to the NCAA wrestling meet, held at Stillwater, Oklahoma, March 24.

Larry Timmerman, a junior, will represent NWMSC in the 167-pound class at Stillwater. Ralph Messerli will vie for the 130-pound honors, and Dave Moore, twice voted Outstanding Wrestler of the AAU Tournament, will grapple in the 157-pound division.

According to Dr. Peterson, the NCAA wrestling tournament can be compared on par with NCAA basketball finals held last year.

## Rogers Elected M-Club Prexy

Jack Rogers was elected M-Club president during their yearly election of officers held March 8.

Other officers chosen were: Paul Lizzo, vice-president; Jim McCoy, secretary; Larry Holland, treasurer; John Kelley, reporter; and Jack Tipton, sergeant-at-arms.

## Chalk Talk . . . Bob Cobb

Basketball may be over, but the Lamkin Gym is far from being shut down for the spring. In fact with all the activity there, one might presume basketball a minor sport.

The Lamkin hardwoods is the base of operations for the hopefuls of four spring sports: baseball, tennis, track, and golf. The Bearcat baseball staff may not have to bargain with early-season holdouts, but our coaches do have a mighty influential adversary to contend with: Old Man Winter, to be more specific.

The tennis team, mentored by Coach Bob Gregory, are sharpening up their skills in hopes of another MIAA title.

Coach Earl Baker's track crew has been working out for quite some time in preparation for the MIAA Indoor Meet to be held March 17.

We've heard the rumor that golf Coach Ryland Milner is in the process of blackening his golf balls in case the snow doesn't melt.

Several Northwest Missouri State faculty members are participating in a noon-hour swimming class conducted by Dr. H. D. Peterson.

The swim program is sponsored by National Fitness Council in conjunction with President Kennedy's nation-wide physical-fitness drive for youths and adults. The goal of the group is for each member to have swam 50 water-miles before the end of the school year.

Dr. Peterson reports that several of the faculty members are nearing their objective, although the program has only been in operation for about three-and-one-half months. Peterson also added that the group swims an average of slightly less than one-half mile per day.

Those members participating in the faculty swim are Dr. John Harr, Dean Jack Lasley, Mr. Miles Grabau, Coach Earl Baker, Mr. Earl Bragdon, Mr. Dale Midland and Dr. H. D. Peterson.

Maryville swimmers placed in the following events on Friday — 220 yard butterfly, Gary Foland, 2nd; 200 yard backstroke, Chuck Sanders, 3rd; 220 yard freestyle, Bob McCoy, 1st; 400 yard freestyle relay, B. McCoy, Bob Hall, Jim McCoy, Ed Atkins, 2nd.

Saturday — 200 individual medley, Atkins, 2nd; 100 yard butterfly, Foland, 2nd; 100 yard freestyle, Atkins, 4th; 100 yard backstroke, J. McCoy, 4th; 440 freestyle, B. McCoy, 1st; Hall, 3rd; diving, Dahl; 400 medley relay, Sanders, McBride, Foland, J. McCoy, 4th.

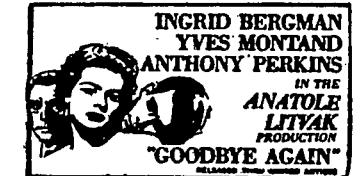

Points scored by Maryville were as follows: B. McCoy, 12; Foland, 7; Atkins, 6; Hall, 4; J. McCoy, 4; Dahl, 3; Sanders, 3; McBride, 1.

Co-captains Ed Atkins and Bob McCoy are high point scorers for the 1962 swim season, each having earned 104 points to become the first MSC tankers to break 100.

A new award this year for outstanding freshman went to Gary Foland who scored 74 points for the season.
